SMELLS LIKE PORN STARS

Dear FOX: I am a longtime fan and subscriber and I miss the contests you used to have. I always submitted my name in the hopes of winning a pair of used pornstar panties or an autographed DVD and although I never won it just made things a bit more fun, you know? My girlfriend used to tease me about it but I think she secretly wanted to sniff those used panties almost as much as I did. I fish a pair of hers out of the laundry basket every now and again and give 'em a good whiff but since her pussy scent is already familiar to me, it's not as exciting as it would be if I were sniffing the skivvies of a stranger. I've always wondered if porn girls smell different than other girls down there.

Maybe having so much sex changes your body chemistry. If I was a scientist I would study it, but I'm only a carpenter.—*Ross in NE*

SHE NEEDS COCK ON THE REGULAR

Dear FOX Magazine: Why don't more girls write in? I know females read this magazine. For instance I'm a girl and I am writing in to say HEY and HOW THE FUCK ARE YOU and that I LOVE PORN and I LOVE TO FUCK. I just had to get that off my chest. I have a pretty sick chest, if I do say so myself. It gets me laid whenever I need it. I just got out of a long term relationship and while I am still in the phase of thinking men are pigs and swine and no good dirty louts, I still need cock on

the regular. Dildos are great and all but sometimes they just don't cut it. I am interested in getting into the business myself and plan on traveling to Los Angeles with my son just as soon as I lose about 30 pounds or so. Maybe I could get away with only losing 15. Curves are sexy and I've got great titties. Seriously, they're nice and fat with big tan nipples. And while I'm on the subject, why don't you try to show some more pictures of titty fucking in your magazine?—*Emily in WA*

ANOTHER RIM-JOB FREAK

Dear FOX Magazine: I have a fetish for seeing women give rim jobs to other women. I've only ever witnessed it once in real life with two skanky chicks

I picked up at a party once. Neither of them was much to look at but man were they willing to do some freaky shit! Hands down best night of my life. I'd like to see some real close up, detailed photos of a babe inserting her tongue into the puffy rosebud of another babe. I know with digital photo technology now and everything it's possible to get really close to stuff and take really clear pics. Call me a freak but that's what I want. —Vance in DE

MAD FOR A MILF

Dear FOX Magazine: Why don't you ever have any MILFs in your magazine? I mean, I know I can run right out there and buy a mag that is entirely dedicated to slutty older women but I don't want to see six or seven different MILFs I just want to see one really hot one, preferably with an unshaven bush.

I don't much care if she's getting banged out by a dude or not but I would like to see her being penetrated wither by an actual cock or by a cock-shaped dildo. I don't get those glassy-looking ones that some of the models in your mag use, I like a cock stand in to look like a cock. But maybe that's just me. I know I can't be the only one in the entire universe that wants to see a MILF in FOX. —Mike in CT

EASIER AND LOOSER

Dear FOX Magazine: Every day I wake up I get on my knees and thank Our Almighty Lord above for making some gals easier and with looser morals than others. While my faith dictates that I should not approve of such things like pornography and random fornication, I am very grateful indeed that such things exist and that I am healthy and sane

enough to enjoy them. I think masturbation is a beautiful thing and it hurts no one and masturbatory aids such as your publication are beautiful things also and were created by the Good Lord above to keep us out of trouble. So good work FOX Magazine and keep on doing the Lord's work. —Jimmy in CA

IT'S TRICKY TRICKY TRICKY!

Dear FOX: There seems to be so many new porno girls on the scene every single day that it's tricky to keep track of them all. I guess there's just not the longevity in that type of career like there used to be. I like the variety—it is the spice of life, as they say—but sometimes the influx of new faces and pussyholes is enough to make a self-professed cooze connoisseur a little bit dizzy. —Gary in KS

Jersey girl Jenna Presley is slippery when wet. From her sassy pout down to the shiny tips of her pedicure, this girl is SEX personified. Between her superhero-sized tits and that won-drous ass, there ain't no shortage of wow factor in her silhouette. But our girl Jenna is more than a just pretty shape, she's the hole package. Her pussy is about as inviting as it gets, smooth and taut beneath a perfectly placed patch of curls. It's damn near indecent the way that sweet, pink slit glistens between her legs—like it's basically begging to be bored wide open. Jenna exists in a state of perma-arousal, drifting from day to day with her crotch steeped in sugar-scented dampness. Whenever an opportunity to get it on arises she jumps on it, sucks it, then rides it until those righteous rib balloons of hers are beaded with orgasmic sweat. 🍆

DIRECTOR
SHEL BLACK

SLUT 'N' PUPPET
LIA LOR, BILL BAILEY

PIXXX & ARTICLE BY JEFF HUBRIS

18

33213

As is the practice for so many seemingly pedestrian but nevertheless momentous boy/girl sexual occasions requiring few, if any extra bells and whistles, we are gathered here today for a simple bang out between blonde Texas girl Lia Lor and the extremely reliable swordsman Bill Bailey. The quest for extra, unnecessary levels of meaning can lead to over accessorized sex scenes that try our patience, when a plain old fuck scene will do the trick just fine. Director Shel Black, who admits to conjuring up his scenarios from fantasizing about women he sees on the street or in other cars during his drive to the shoot, provides the background for today's wetness session.

"This is just about Bill hooking up with his sister's friend who has a crush on him," explains Shel. "He's cut off the relationship because he doesn't want his sister to find out. She just goes for it. That's it in a nutshell. That's love."

Lia has exploded the contents of her porn girl suitcase over a brown sofa to properly examine the available wardrobe alternatives. It's all going to be coming off fairly quickly, so some denim hotpants, a red bra, green wifebeater and some black stripper shoes will suffice. Here in the skin trade, real or imagined "wholesomeness" is a highly prized quality and it's often pathetically sought through cosmetic fixes like pigtails or a school girl outfit or two, but there's still no substitute for the real deal.

"I actually once was a Blue Bonnet," says Lia. "You know what that is? It's actually the Texas version of a debutante. I'm the legit girl next door. I mean, I was a straight-A student and graduated honor roll and was a cheerleader. That whole deal. It's so funny, I was laughing. All of these porn girls on their Twitter pages call themselves the girl next door. Like, I'M THE REAL GIRL NEXT DOOR. I think they should do a reality TV show kind of like *Hunger Games*-style with all the girls next door and have them kill each other off to see who the ultimate girl next door is. The last girl next door!"

Tests for social diseases are compared and confirmed as bug free. With that necessary protocol satisfied, Lia Lor says, "Let's go and have some sex." This is a very good sign because so many jaded young ladies in the business these days are supremely devoid of this kind of action forward, school spirit.

"You're going to sneak in through the bathroom," Shel instructs Lia. Bill Bailey needs to be intimidated by the ramifications of banging out his sister's friend, again.

"Resist her," Shel tells him, "You don't want your sister to find out!"

They begin shooting the set-up. Lia peels off her shirt.

"You're going to say no to these?" she says, shoving her breasts forward. "Come on, we used to have so much fun together. You used to tell me how much of a good cocksucker I was! Can I suck your dick?"

The set-up is over quickly. Lia tauntingly climbs onto Bailey and insists he give in, until he finally acquiesces to a blowjob. Slut! Pussy is slurped and fucking ensues. Having been that person in the same room with other people getting it on for many years, I can tell you that a special perceptive ability eventually emerges regarding the verification of the actual lust in the room, as opposed to the exceedingly common feigned lust porn thespianism in effect at any given moment. Also, I'm one of those Pollyannas who gives a fuck for some reason. I'd rather have the real thing when I can get it, and I'm confirming that Lia Lor is really super into this bang out.

LIA LOR: I was doing Bang Brothers and then I was a cam girl, then I came out here. I had a sex life but it was pretty vanilla. That's another reason I got into porn, I had a lot of kinks and other things that I needed to get out of the way. I wasn't very promiscuous really. Now it's easier because I feel like when I have sex with someone outside of the industry I can help them out, like, *Whatever you want to do, let's do it. If I've never done it before I'll do it with you.* It's opened up new doors for me, it's really really cool. Actually it's kind of exciting going back to civilian guys. I feel like a rock star, I feel like a porn star. They're like, *Oh, I've never had sex like that!* And I'm like, *I know!* ...I think it's definitely different and it's nice to separate your porn sex from your real sex. You can't get plowed every day. It's more romantic at home, not that I'm having romantic sex with anybody, but it's more that romantic feeling. ...Lately I've really been into the kind of porn that I watch. I've been watching a lot of gangbangs and really filthy sex. A lot of spit, a lot of sweat and a lot of tears maybe. ...When I'm with girls I'm more dominant and when I'm with males I'm definitely more submissive. ...I enjoy anilingus. Lots of ass licking. I don't do anal but I do enjoy ass play. I'm mostly scared to do it. I do it in my personal life every once in a while but the porn dick in my butt is a little intimidating, but I'll get there. And I don't want every scene that I do right now to have to be anal. ...I definitely have to be enjoying it to cum. Most of the time I do. I'm a giggler and have just this huge smile and then you can't talk to me for like two minutes because I'll just have this huge smile. I'm without words. ...I enjoy a lot of eye contact. That really, really gets me off. Especially if they're being really aggressive and have that kind of crazy look in their eye. That totally gets me off. Have you ever heard about a Hitachi? I just recently broke one and had to buy a new one. I was so excited. I was getting ready to masturbate and it just kind of sputtered out and I was like no, no! I had to remember that I had other toys. That's my go-to, and if I want to have a longer masturbation session I'll go for other toys or I'll just use my hands. ...I like the whole stripper scenario. Not that I've ever done it but I like to fantasize about being a stripper and being in the back room and getting paid for sex. I think it's an awesome fantasy. That gets me off. I was a nanny. A live-in nanny. It was a lot of fun and then I started camming and I made way better money so I did that. ...I couldn't find any guys in my personal life that were down for a gangbang. I think I would be down for that. I really know that I would like a blowbang. ...I do Kegels. I think I just got really lucky with my pussy. At twenty-one it should snap back. If it's not I'm doing something wrong and I think that working out is a big part of it as well. I was an athlete in school. I did track. I ran the 800 and the mile relay. I'm a little short to be a hurdler but I'm a little taller than most porn girls. ...Sometimes it's a little difficult to get it in there but then after that...the vagina is made to be stretched right? My first scene was with Preston Parker in Miami and that was the biggest dick I had ever seen. I didn't know what to do with it. That isn't the case now. I'm definitely not a size queen though. I'm a speed queen. I like it fast.

Shel Black takes a break to arrange the jizz dispersal protocol. He asks Lia Lor if she swallows. "All day!" she answers directly. "We'll do it in the mouth and around the chin then," he says. "A-okay with that," she replies. Shel asks that during the final BJ she not engage in the classic "seal yelp," the vocalization with each successive throat thrust that has become disturbingly commonplace as a cocksucking show piece. "No, I don't do that," she reassures. "I might gag like once or twice but not that much."

The final scream-laden mish bangout goes oral and the load is successfully activated and received. "Wow! Thank you, Lia!" Shel says after the die down. "You're a little firecracker. You're awesome."

Lia is spaced. "I just had an orgasm and I'm like fuck drunk," she says. I've been waiting to work with him for like two months now."

Shel comments that she also made it a point to get hers during the final push to orgasm, or so it seemed. "Well, when the guy always gets to finish, why not get mine?" she answers.

That's the spirit! This strange anomaly of a porn girl seeing to "finishing" herself as well as the dude in question during a porn scene rather than just getting to the load asap and running to her phone to call her driver, is cause for hope. Trolling for clues as to the morphology of her now verified porn performance orgasmic response, I ask about experiencing the transition from civilian sex to the porn life. Perhaps she was in fact, born this way.

"It was a little tough at first," she explains thoughtfully. "I had to get used to just meeting someone and being like, *Okay, let's just do this*. But now I love it! It's exciting! It's just like something new every time. I'd only been with two people before. I was a very, very normal girl. I got into porn and it's a blast. I'm so glad I did. I didn't think my sex life was boring then but now I definitely do. I couldn't imagine going back to not having sex the way I do now!"

LIA: My parents aren't stoked on all of this. I think they're excited about me paying off my student loans, but other than that they're not that thrilled about it. But they support me in whatever I do. I have seven brothers and sisters and I had to tell each one of them individually and that wasn't very fun. My father's Baptist and my mother's Catholic. I think I'm probably the only one in my family that lost my virginity before marriage in my family. I started doing this because it was fun. I'm a very sexual person. I wasn't doing it for the money and the moment it stops being fun is when I'll bow out. It was mostly just for the experience. It's porn. I like my picture taken. ...Definitely one of the people I look up to in porn is Sasha Grey. Not for the style of porn she does but she can speak about it intellectually and she didn't let it inhibit her from going on to doing other things. That's one of the things I'd like to follow in her footsteps for. I'm not going to be as hardcore as she is but I definitely look up to her in an intellectual sense. Right now I'm just playing around. It's fun and I'm figuring out what I like. I'm still doing a lot of things that I've never done before. I know that I don't want to direct. It's way too much responsibility for me. ...I do go out. I'll go out to like a bar and have drinks and dinner and stuff like that but I really don't go out clubbing. I do enjoy wine and I like to drink whiskey. Maker's Mark is what I usually go for and I started to drink scotch just recently. And Jameson or Jack if I'm feeling cheap and I want to get drunk. 🐱

The Twitter Interview

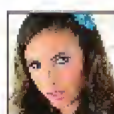

By @Gabriel_Lan

Casey Calvert

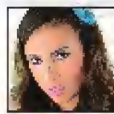

Every once in a while, a girl enters the adult industry that is a can't miss, sure fire, bona fide superstar in the making. Casey Calvert IS such a girl. Equipped with a fresh face, refreshingly high intellect, runway model beauty, grace, poise, charm, and an insatiable sex drive, Casey has all the tools to be the biggest name in porn. Far different than the overwhelming majority of her fellow starlets, Casey was a college graduate before even entering the jizz biz. She "could" have a "real," normal, well-paying, reputable job, but she chooses to get her brains fucked out for the general public's viewing pleasure. Hopeful of one day becoming a doctor specializing in the advancement of Human Sexuality, having millions of adoring fans jacking off all over the world to her perverted exploits is just aiding her in achieving her ultimate goal. Still not a year into her porn adventure, Casey has slightly under 10,000 Twitter followers. That number, much like her career, is destined to explode over time.

@Gabriel_Lan: You're very different than virtually every other girl in porn in that you already have a college education. What did you earn your degree in?

@caseycalvertxxx: I know, beauty and brains! I finished my college education before I embarked on my career as a porn slut. I graduated with a degree in Film.

@caseycalvertxxx: I minored in Anthropology and Zoology. I most likely will go back to school when I feel I have gone as far with porn as I want.

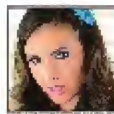

@Gabriel_Lan: So, you want to be a doctor someday then?

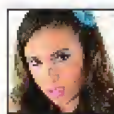

@caseycalvertxxx: Yeah, I want to be Dr. Calvert. I don't know if I want to be a Ph.D. or an M.D. I just know I want to go to grad school and study something to do with sex.

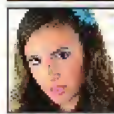

@Gabriel_Lan: So, do you want to be like a modern day Dr. Ruth or Dr. Joyce Brothers or something like that?

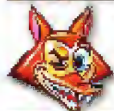

@caseycalvertxxx: I think that the study of Human Sexuality has grown so much more since their time. There are great advice columnists, sex educators and many more opportunities nowadays.

@caseycalvertxxx: I mean, Routledge is going to be publishing a "Porn Studies" journal.

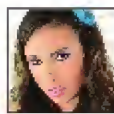

@caseycalvertxxx: I'm a smart and sexy woman and I want to contribute to the advancement of human sexuality.

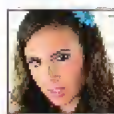

@Gabriel_Lan: How does one go from being a college graduate to one of the hottest pornstars on the planet anyway?

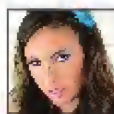

@Gabriel_Lan: Most girls in the industry that actually DO go to college do that the other way around.

@caseycalvertxxx: My fetish modeling career started when I was a senior in college. All my spare time was spent traveling to shoots. It was an amazing time.

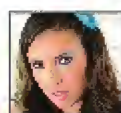

@caseycalvertxxx: I got to be spanked and tied up (which I love in my regular life) and had some very unique adventures. It was a perfect intro to porn for me.

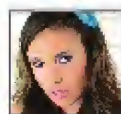

@caseycalvertxxx: After I had done fetish modeling for a year and a half, my exhibitionist tendencies got the best of me.

@caseycalvertxxx: My all-time biggest fantasy is knowing there are men out there masturbating to my pictures, projecting themselves on top of and inside of me.

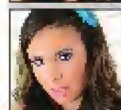

@caseycalvertxxx: That fantasy led me to make the jump from fetish modeling to spreading my legs and putting things and cocks in my pussy!

@Gabriel_Lan: You've already shot a LOT of fetish themed scenes. Has your personal interest in those types of scenes made your leap into porn smoother?

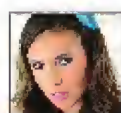

@caseycalvertxxx: I'm a very kinky girl. Putting it all on camera is natural since I am going to do it anyway in my personal life.

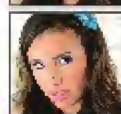

@caseycalvertxxx: With exhibitionism being one of my biggest fetishes, I get to explore something kinky to me at every shoot.

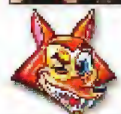

@Gabriel_Lan: I don't believe you're doing porn for the money necessarily. I mean, you could go out and get a "real" job that pays well. What motivates you to be a dirty little slut on camera?

@caseycalvertxxx: It has never been about the money. I am here because I love to explore my sexuality in a healthy and safe way.

@caseycalvertxxx: My inner slut wants the world to see my development as a sexual being.

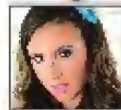

@Gabriel_Lan: Since you branded yourself "kinky," what do you define as "kinky?"

@caseycalvertxxx: Excellent question! I define kinky as someone with any sort of inclination towards BDSM or more alternative sex practices.

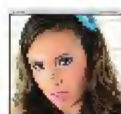

@Gabriel_Lan: You were contemplating this at one time so... have you figured out yet why you always squeeze your tits when you cum? LoL

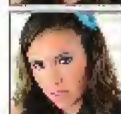

@caseycalvertxxx: Nope, I haven't figured it out yet. I think it's just because I like having tits in my hands. Who doesn't love boobs?

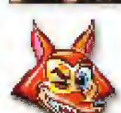

@Gabriel_Lan: You once came 57 times in 3 hours while at kink.com. Was that your 1st experience of that nature...being fucked by machines, I mean?

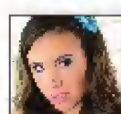

@caseycalvertxxx: Yes! That was for their Fucking Machines site. It was my first experience being fucked by machines, and it won't be my last.

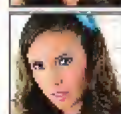

@caseycalvertxxx: Fucking machines are amazing! And yes, I really did cum 57 times.

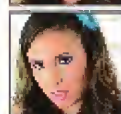

@Gabriel_Lan: What's your most memorable experience been so far? How about a least memorable? LoL Any "I'd like to forget that" moments yet?

@caseycalvertxxx: Definitely one of the most memorable was my gangbang I did for kink.com. It was the fulfillment of a lifelong fantasy.

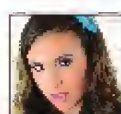

@caseycalvertxxx: It was so hot! And it was so fun playing out a being "abducted" fantasy. It was my first DP and my first time being airtight.

@caseycalvertxxx: After I was treated like a dirty sex puppy, all the other actors were super great and very respectful.

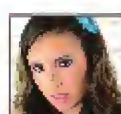

@caseycalvertxxx: They were rough on camera but I wanted that. When the cameras stopped rolling, they were very supportive. I couldn't have asked for a better fulfillment of my fantasy. I would love to do another one!

@caseycalvertxxx: The moments I would like to forget would be when the cast and crew don't act professional and are sloppy with their work. Thankfully those have been few and far between.

@Gabriel_Lan: How long do you see yourself being involved in the industry?

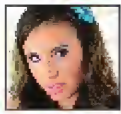

@caseycalvertxxx: This is such a great industry. I want to be around for a long time. I get to explore my sexuality, bank my cash and travel. As long as men want to watch me fuck on screen, I will be here for them.

@Gabriel_Lan: You and I were talking while AEE/AVNs were going on in Las Vegas. How would you assess your 1st time at the premiere porn convention?

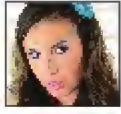

@caseycalvertxxx: It was nuts at the convention! I've been in crowds like that before, but never seen so many people in one room interested in porn.

@caseycalvertxxx: Even though I'm new to the industry, I still had a few fans come up and ask for my autograph. I was extremely flattered and signed everything.

@caseycalvertxxx: For me, it is all about meeting the actual fans that buy my scenes, because like I said, I love to know men are masturbating to my porn.

@caseycalvertxxx: Getting a chance to meet some of them makes the fantasy extra hot. I'm looking forward to 2014! I will be signing even more!

@Gabriel_Lan: Even though you started fairly late in the "awards season," you still won two Spank Bank Awards featured in *FOX*. You received the "Future of Porn" and "My Ultimate Crush" awards. Is that flattering at all? How did that make you feel?

@caseycalvertxxx: Wow! That is such an honor! It makes me feel special knowing I am doing something right just by letting out my inner slut and being myself so early in my career.

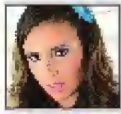

@Gabriel_Lan: I'm certain you're already nominated for some of the majors in next year's Spank Bank Awards. Call it a hunch. What would winning something like "Most Spanked To Girl of the Year" mean to you?

@caseycalvertxxx: It would be great to win "Most Spanked To Girl of the Year!" It would mean all of my hard work was recognized, and that people like watching me as their own personal slut on their computers and TVs.

@Gabriel_Lan: Have you set any goals for yourself within porn? Anything you're hoping to accomplish? Any certain level of recognition?

@caseycalvertxxx: I've set quite a few goals for myself within porn. I want to be on the cover of a magazine and film a star showcase.

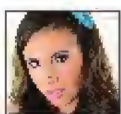

@caseycalvertxxx: I'm very competitive, so I want to win lots of awards.

@caseycalvertxxx: I also want to have ten-thousand Twitter followers and I'm getting close to achieving that one. Come follow me on Twitter!

@Gabriel_Lan: Well, as of our most recent issue, you can already check cover girl off your list. Many more to come, I'm sure. *FOX* got to take your "cover cherry" though lol. Was it good for you, too? ;-)

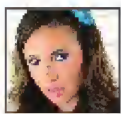

@caseycalvertxxx: Oh yes, it was very good for me. Look at me! Just look at me! My hair and make up is perfect, my legs are spread and I love knowing men are masturbating over me.

@Gabriel_Lan: As for Twitter followers, I think you're setting your sights too low... How often would you say you're on Twitter? Do you like the prospect of talking to fans on there?

@caseycalvertxxx: Well, 10,000 followers is when I'll be happy, but I certainly don't plan on stopping there!

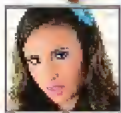

@caseycalvertxxx: I try and tweet at least once a day. I don't always have the time because of work, but when fans are polite to me, I always respond back.

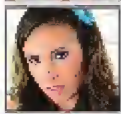

@Gabriel_Lan: You didn't really "build up" or "hold out" on shooting any specific genre. You pretty much just jumped right in.

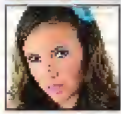

@Gabriel_Lan: Like anal and IR for example. Did you already have experience with either before porn?

@caseycalvertxxx: I had some experience with sex but not as much as you would think. I didn't even see a penis until I was 21.

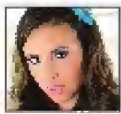

@caseycalvertxxx: As for anal and IR, I definitely had experience with those.

@caseycalvertxxx: I lost my anal cherry before I even had regular sex, and that was to a black guy with a huge cock.

@caseycalvertxxx: Now I feel like I am making up for all the lost slutty years that most girls do have in their late teens and college.

@Gabriel_Lan: So you must really like anal sex. Do you prefer butt sex over regular sex? How about for scenes?

@Gabriel_Lan: Some girls have said that they like anal during scenes because they can handle more/bigger cocks that way as opposed to in their pussy.

@caseycalvertxxx: I LOVE anal sex. If you aren't doing anal, you are missing out on half the fun! For me, I love both pussy and anal, but I have great orgasms if my ass is getting fucked!

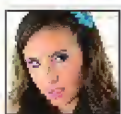

@caseycalvertxxx: On camera I like anal better because I can take bigger cocks in my ass.

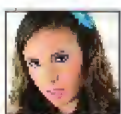

@Gabriel_Lan: What about girls? Did you have the classic "in college is good time to experiment" motto?

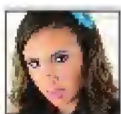

@caseycalvertxxx: Gosh, I wish! Before porn I was a very quiet, shy girl. Modeling helped bring me out of my shell and make me realize that I am pretty.

@caseycalvertxxx: After I got the ball rolling, I definitely fucked lots of girls. It has been a great sexual adventure.

@caseycalvertxxx: Doing porn has given me the attention from thousands of adoring fans, and that has given me so much self-confidence.

@caseycalvertxxx: I am very lucky and thankful for the chance to do what I love for a living.

@Gabriel_Lan: What kinda girls do you typically go for? Do you have a preferred look or style when it comes to girls?

@Gabriel_Lan: Is that something you still incorporate in your personal sex life?

@caseycalvertxxx: I like girls who look like me—slender girls with small tits and nice asses, legs that are freshly shaved and a smooth pussy.

@caseycalvertxxx: If I could clone and fuck myself I would in a heartbeat. Having sex with girls is part of my on-camera and private sex life.

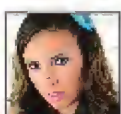

@Gabriel_Lan: What about in a guy? What do you look for in a guy? What attracts you to a man?

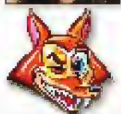

@Gabriel_Lan: What does a guy have to do to get you interested in him? (Not that I'm making a checklist or anything lol.)

@caseycalvertxxx: I like older guys who are more experienced and dominant in bed. I like rough sex. Men that are big enough to toss me like a salad always catch my attention first.

@caseycalvertxxx: Being funny and smart goes a long way. A guy also has to shave his balls!

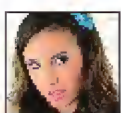

@Gabriel_Lan: Not that anyone's counting, but for the record I fit ALL of those categories... Just throwing it out there LoL ;~)

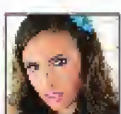

@Gabriel_Lan: You're from Florida, right? Now living in another vacation hot spot, what's the biggest difference between California and Florida?

@Gabriel_Lan: Do you like one more than the other?

@caseycalvertxxx: Yep, I'm from Florida. The biggest difference between Florida and California is the weather. In Florida, it's hot and humid. Here in California, it's just hot.

@caseycalvertxxx: I'm still getting used to living in a big city (L.A. is much bigger than where I'm from,) but I am starting to really like living here.

@Gabriel_Lan: You actually gave a lecture at a Canadian college recently, right? How did that come about? What was it for?

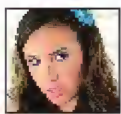

@caseycalvertxxx: A professor at the University of Toronto saw a book I shot for called *How to Be Kinky* by Morpheous and approached me on Twitter.

@caseycalvertxxx: He said having a pornstar come to lecture would give his Sexual Diversity studies class a perspective that students can't get from a book.

@caseycalvertxxx: The students were very polite and charming. They had great questions and we tackled some of the more racy questions that no one had been able to.

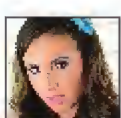

@caseycalvertxxx: I also found out that I have the teaching bug, as that lecture has led to another one coming up this fall at Queens University.

@caseycalvertxxx: If you are a perverted university professor and are reading this, invite me to speak in your class!

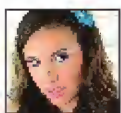

@Gabriel_Lan: Your birthday is on St. Patrick's Day, right? I bet that makes for some fun birthday parties LoL. Do you have any Irish ancestry?

@caseycalvertxxx: Great question, none of us in the family know. There aren't any records that go back past the 1940s. I don't think I have any Irish in me though, I tan too easily. And yes, I have had some excellent birthday parties!

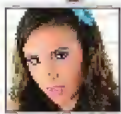

@Gabriel_Lan: Have you met anyone in porn that you think you'll remain friends with after your career is over?

@caseycalvertxxx: Of course! In any career or industry people remain friends with those that they connect with. Porn isn't any different.

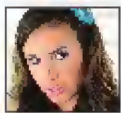

@Gabriel_Lan: What's a typical off day like for you? What do you like to do away from work? Things you do for fun?

@caseycalvertxxx: A typical day for me is going to work. I work my ass off so you can beat off to my ass!

@caseycalvertxxx: When I am not working I exercise—run, do yoga, go rock climbing. I try to be outside as much as I can; I love being in nature.

@caseycalvertxxx: Believe it or not, when I have downtime, I am actually a homebody. I am like the perfect dream housewife.

@caseycalvertxxx: I will suck your cock and then bake you cookies. Buy me an expensive stand mixer and I will even swallow ;)

Avril Hall is the quintessential whore next door. She's got the look of a sweetheart and the sleaze-obsessed mind of a filthy slut—always a winning combination. Even though she looks like she should be busy shaking some pompons around the 50-yard line, she's not too stuck up to put out. Her favorite way of killing time when alone is to spread her gazelle-like legs and cozy her cooter up to a vibe packed full of brand-new batteries. Then when she turns that thing on it's like getting kicked in the cunt—in a good way. It buzzes and shakes, causing darling Avril to clamp down hard with her cunny muscles and buck her fierce little hips in order to coax out the oceanic-sized O rising up from within. Before she's spent she'll drain that toy dry of all juice, turning the energizer bunny into roadkill. 🐰

PIXXX & ARTICLE BY JEFF HUBRIS

So I'm fucking around in the Valley one sunny afternoon and I decide to stop by the Immoral studios for no reason other than to shoot the shit with the sometimes very predictable or very unpredictable Porno Dan and maybe even pirate a beer or two from the official Immoral Productions refrigerator to help quell the constant pain of being who I am, at least temporarily, again. Imagine my surprise when the first thing I see after walking through the door is Dan on his knees with his head buried in a pussy, the owner of which is unknown at this point due to her upper body being occluded by a wall and a sofa end. The up-swung legs and feet look really good though so I decide to check the situation out further. You would too.

OMG it's the very fuckable, seriously lust driven non-skank Heather Starlet! Previous experience with this blonde Ohio girl has led me to conclude that she is one of the absolute best girls in all of porno, striking a beautiful balance between sturdy yet appealing utilitarian German/American genetic engineering at its finest, and a total sex freak completely addicted to her orgasms and the high velocity bang out. While Happi Eddie shoots camera, they switch places and she hoovers Dan's unit like a police dog going after a live garden hose.

"Columbus rocks!" yells Porno Dan. "It's not Cleveland!"

Using this opportunity to comment on "the mistake on the lake" is, I guess, as fitting time as any for an instance of sexually driven Tourette's with Heather Starlet working on your tube steak. Today, Porno Dan's name is **LUCKY MOTHERFUCKER**.

Things are moving quickly. It's fucking time. Heather stands up on the Immoral Productions trademark neutral-colored brown sofa and shoves her pussy into Porno Dan's face for a few minutes, then climbs on for some cowgirl.

"This is living the dream!" Dan screams as Heather bounces up and down on his wiener. "The porno dream is still alive at Immoral Productions, baby. Fuck happy hour! This is the happiest hour of my day! Whoooo!"

You won't find much of this kind of cheap, performance shtick narcissism on display a few buildings over at the Wicked Studios, where porn/art is being made with a serious face day in and day out. Fie on production value! Porno Dan is the Paul Stanley of smut world, maybe not the most ultimate shredder on his instrument in the history of the industry, but he never stops laying on the bullshit to make this clown act into a ROCK 'N' ROLL PARTY!

Heather presses an already plugged in Hitachi Wand (porn's orgasm machine) knockoff, onto her pubic mound while Dan alternates fucking with some high velocity G-spot digital manipulation. Dan pops on her stomach and she conjures a series of powerful climaxes with accompanying blasts of extremely professional, super soaker level, squirt gun style girl cum blasts that might have reached the opposite wall if not stopped by Dan's body. No biggie. This is just a walk in the park and it ain't over yet.

"My clit is like on fire," Heater says calmly while pulling apart her engorged golden palace. "Look at it. It's huge! It's super swollen. That always happens when I use that damned machine!"

FOX: When did you first realize that you were a squirter?

HEATHER STARLET: Well, my boyfriend at the time was determined to make me squirt so he looked it up online how to do it, the little finger movement that we all know now. Back then I had no idea. I didn't even think I could do it. It took a long time and he just kept at it. At first I felt like all, *My god I'm going to pee* and then as we all know I squirted. It worked out. That was a couple years ago.

How many times did you cum?

I don't know. Dan, how many times did I count? Two or three times on his face, maybe more, I don't remember. Dan, you're good at eating pussy. I came with the machine and on Dan's face. Let me get my water.

When you quit porn are you going to have to be a swinger and bang like at least five guys a week to feel normal?

Funny you should ask that because I'm actually very bisexual so I think I could be with a guy as long as we had an openness with a girl. As long as there's some naughty, taboo kind of something that's out of the ordinary I think I could eventually do it. Not right now.

Could you do it without getting extra cocks? Would you get sick of his cock?

I think everybody gets used to it. I don't know what the answer is. I'm so young I'm still trying to figure all that out. I don't know. I hope so. I think I could. Maybe if I get worn out enough in this business then I'll be like okay. I'm ready for just one penis. Normal sex. No injuries yet though.

PORNO DAN: The one vibrator dies and you have the other one right there at the ready. Jeff, I got some squirt in my eye, man!

HEATHER: Was I a good little squirt girl, Dan?

You were. This is very good. This is a very original type of show today. We always try to mix it up. We are finally back in the good graces of FOX I hope. I hope I am not banished to the netherworld with those evil pornographers who make art, for I shall never be an artist. And anyone who calls me an actor, that would be an insult to real actors all over the world. In fact, there is a reason why people get paid to act. They get paid millions of dollars because they are people who have talent. Porno people should never be allowed to act. It should be against the law. Zeus should throw his lightning bolts at those directors and cast them into Hades. Seriously, man. Stop. Stick with the masses without classes like us. I represent the 99% who hate porn acting. You 1%, go away! That's why I'm protesting about you one-percenters! I banish you! I banish all of you who like porn acting! Porn acting is wrong!

HEATHER: I try to cum that many times in my personal life. With sex at home it's a little bit easier to cum because there's no pressure and there are no people there. To be honest, it varies. I'll go like six months and be like masturbating every day and having sex and some days I just kind of get comfortable and go to work and that's enough. ...You know, everybody has that issue that I was in for FOX and they always say, *I always take a shit to your picture!* The one where I was sitting on the toilet in the bathroom. ...After like three years I just try to keep life simple and save my money. Honestly, I have some future plans to grow weed legally like in Northern California. I got enough money together to buy all my equipment finally. I have a friend up in Sacramento who said it shouldn't be that hard. ...I just started doing IR and it's been crazy because I only do it for select companies. It's been crazy. My first IR scene was with Jack Napier. I wanted shock value. If you're gonna do it I wanted to do it big. I was really into it and when you're into it that always makes it better and makes your pussy wetter and he's super nice. After that I did a scene with Mandingo. My pussy was sore but it was a good kind of sore. Realistically, huge cock is awesome every once in a while, but on the regular I think my pussy would be torn up, you know what I mean? Like torn the fuck up. ...I remember the first time that I met Kristina Rose. She was doing this little BTS thing and she has one lip that is bigger than the other. She was like, this one is the baby one and this one is the mother! I was talking shit and at that point I knew we would be friends. ...I'm such a skank. I'm sitting here dirty and sweating and I'm going to get this shit all over your chair, okay? So this is my spit. And all my drool that came off of his balls and landed right here. This is going to be another huge puddle. ...Actually I've been working out a little bit lately. It's been on my legs. My legs look muscular. I've been trying. Going to the tanning bed and doing my hair. Just little maintenance things.

Dan takes five to hold a Q & A session for the fans watching live, and to give Heather a chance to recharge her female body fluid coffers with some much-needed liquid refreshment. Then the process starts anew. Heather fires up the large vibrator again. More face sitting, a Bf and some more scarily fierce, pile-driving orgasms.

"Oh my god!" she screams at one point. "I feel like I'm going fucking crazy!"

She blows Dan to pop and then it's over, like a stock car race with a lot of close calls where no one gets hurt, there is spectacle without trauma. I'm perving heavily on Heather so I ask her to pose for some foot fetish shots and she does so gladly. Caught in the Heather Starlet whirl. She's a carnival and I'm spinning round and round....

Sexy ass slut Yurizan Beltran and her number one HO-me girl Emy Reyes cant go a single day without getting their hump on. Lucky for them they're both put together in such a way that wont ever leave either one of them wanting for male attention-they've got more cock at their beck and call than a couple of chicken farmers. Danny is one of their favorite go-to boy toys because he's always hard and more than happy to help scratch the innermost itch of a couple sex kittens in heat. As soon as he drops trou these horny honeys hop to it, slurping his nuts and knob up real nice. Then Danny lays 'em out one after the other. First he rocks Emy's world out of its orbit before hamming on Yurizan's G-spot. When it's his turn to cum, he coats two gorgeous smiles stretched wide with satisfaction.

LIFE SIZE - LIFE LIKE - BEAUTIFULLY FUCKABLE

PLAY-GIRL

SO ROUND SO FIRM SO FLEXIBLE

The **ONLY** doll in the world with electronic-type action mouth, molded breasts, and **ALL** female parts.

FIRST TIME IN AMERICA

That's right!!! Marilyn is the **ONLY** human-like **ACTION DOLL** available in America. Her success in Europe has been so overwhelming, that we've brought Marilyn to America. Let her American, Greek and French life-like reproduction female qualities astound you as they have others.

BUILT IN FEATURES

All of Marilyn's female components are built right into her body. Her breasts are human-like in **EVERY** detail, both in texture and structure, right down to the finest point. This is an exclusive feature that is **ONLY** available on the Marilyn doll. Her open mouth is an achievement in design. The human-like action, tight-flexible cheeks inside her mouth, work on the principle of air suction. Just squeeze the back of her head gently, and watch her pulsating mouth come to life. Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

THE ONLY ACTION DOLL

Don't confuse Marilyn with toy like dolls being sold on the market. Marilyn is **NOT** a toy. She was designed for the **ACTION MINDED** man. Imagine coming home to your own 21st Century play-girl always ready for action.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

The only electronic doll with action mouth & pulsating pussy.

JESSIE ROGERS & GIOVANNI

WHY IT IS THAT SO MANY WOMEN OF MEGAWATT HOTNESS SEEM TO COME FROM BRAZIL? THERE MUST BE SOMETHING SEXY IN THE WATER THERE. TAKE JESSIE ROGERS, FOR EXAMPLE. SHE IS JUST SO ACHINGLY LOVELY TO LOOK AT. IT'S NOT HARD TO SWALLOW THAT THIS STUNNER WAS A FASHION WHORE BEFORE BECOMING A REGULAR WHORE AND SPENT HER TIME MAIN STREAM MODELING PRIOR TO CAUSING A SENSATION IN PORNLAND. HER CHARMS EXTEND WELL BEYOND THE SUPERFICIAL—THIS GIRLIE'S GOT SKILLS. SHE'S TAKEN THE TIME TO MASTER THE DELICATE ART OF SUCKING A MEAN DICK, PLUS SHE FUCKS WITH SUCH INTENSITY, SUCH PASSION, IT'S A WONDER GIOVANNI DIDN'T BLOW HIS WAD UPON FIRST ENTRY. BUT THANKFULLY OUR HERO SOMEHOW PREVAILED OVER HIS PUD, AND SO THE REST OF US ARE ABLE TO ENJOY FULL-COLOR PHOTOS OF HIM EXPLORING EVERY DELICIOUS INCH OF JESSIE'S SUPPLE BODY FROM ALL CONCEIVABLE ANGLES, INSIDE AND OUT. 🐱

LIFE SIZE - LIFE LIKE - BEAUTIFULLY FUCKABLE

PLAY-GIRL

SO ROUND SO FIRM SO FLEXIBLE

The **ONLY** doll in the world with electronic-type action mouth, molded breasts, and **ALL** female parts.

FIRST TIME IN AMERICA

That's right!!! Marilyn is the **ONLY** human-like **ACTION DOLL** available in America. Her success in Europe has been so overwhelming, that we've brought Marilyn to America. Let her American, Greek and French life-like reproduction female qualities astound you as they have others.

BUILT IN FEATURES

All of Marilyn's female components are built right into her body. Her breasts are human-like in **EVERY** detail, both in texture and structure, right down to the finest point. This is an exclusive feature that is **ONLY** available on the Marilyn doll. Her open mouth is an achievement in design. The human-like action, tight-flexible cheeks inside her mouth, work on the principle of air suction. Just squeeze the back of her head gently, and watch her pulsating mouth come to life. Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

THE ONLY ACTION DOLL

Don't confuse Marilyn with toy like dolls being sold on the market. Marilyn is **NOT** a toy. She was designed for the **ACTION MINDED** man. Imagine coming home to your own 21st Century play-girl always ready for action.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

The only electronic doll with action mouth & pulsating pussy.
